Paducah, Ky., Sept. 2.—A cable message was received to-day from Mrs. Marie Moss Wheat, dated Manila, announcing the death there yesterday of her father, Gen. Thomas E. Moss, of Paducah, who went to Manila several months ago for his health.

Maj. Moss was seventy years old and a prominent Kentuckian. He was born in Grayson county, but had spent most of his life in this county. He had served in the Legislature and was at one time Attorney General of Kentucky. His wife died about a year ago and his health immediately began to fail. He failed to return at night, and Mr. Wall learned that he was driving towards Clarksyille. The man came towards this city, and the horse he was driving was taken ill and died four miles from here. He came on to this city and left on a train, leaving the buggy and harness at a point near this city, where it was recovered by Mr. Wall. The authorities in the towns surrounding Clarksyille have been notified, and every effort will be made to apprehend him.

The Better
Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S
EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

LIGHTNING
PLAYS PRANKS

Electrical Storm Visits This
and Several Adjoining
Counties.

ONE PERSON IS KILLED.

Others Sustain Shocks and
Have Narrow Escapes
From Death.

Boy Killed Near Cobb.

A barn on the farm of Mr. Samuel Sizemore, near Cobb, Caldwell county, was struck by lightning and destroyed. Mr. Sizemore's three sons were in the building and one of them, Herschel, was instantly killed. Herman, another of the boys, was rendered insensible, but will recover. Oscar Sizemore, the third son, was not injured by the bolt. He succeeded in dragging the bodies of his dead and unconscious brothers from the building before it fell in.

McGehee Bros' store at Guthrie was struck and the roof damaged. One of the clerks was knocked to the floor and pretty badly shocked. Physicians were immediately summoned and he was soon brought around all right.

Mr. Winston Henry, near Casky, had a very narrow escape. He was standing in his door when lightning struck a tree only a few feet from the house. He was severely shocked and Mrs. Henry, who was sitting in the room, also felt the concussion. The tree was set on fire, but was too wet to burn.

Another tree was struck near the Imperial Tobacco Company's factory on North Clay street, but no further damage was done.

Many telephones were burned out and the service was considerably interfered with.

The storm seems to have settled the weather conditions and cool, clear weather has followed the sultry, heated term through which we passed last week.

Two head of cattle belonging to Mr. Frank P. Pool, of the Consolation neighborhood, North Christian, were killed while under a tree in the field. A mule belonging to Mr. Herman Walker, of the same neighborhood, was also struck and instantly killed.

Startling Mortality.
